

## **Women in Wine Reception at Hilton Harrisburg!**

Harrisburg, PA - March is International Women's Month, what better time to celebrate those women in the wine & food industry than with a dinner featuring talented women of wine from Jackson Family Wines and the Hilton Harrisburg!

At the helm of Jackson Family Wines is Proprietress / Chairwoman Barbara Banke, as well as four of Jess Jackson's daughters and a granddaughter, who've all been bit by the wine bug and contribute to the family's legacy.

To date, just over ten percent of all winemakers in the US wine industry are female. Sixty-one percent of Jackson Family's winemakers are women, and over fifty percent of other company leadership positions are held by women.

Keeping in the spirit of the month, Jackson Family Wines' Master Sommelier Mollie Battenhouse will join forces with 1700 Degrees Steakhouse's Sous Chef, Savannah George, to host a walk around FOOD AND WINE TASTING on **Thursday, March 24, 2022 at 6 PM.**

This fun and interactive event will showcase the incredible fruits of female labor with an amazing lineup of wines from the likes of Cambria, Matanzas Creek, Arrowood, Freemark Abbey and Penner-Ash wineries. Each will be carefully paired with an appetizer such as Tempura Cauliflower, Crab Fennel Wontons, Chicken Sausage Ravioli, Duck Breast and Local Harvest Strip Loin.
